

Bitterne Park Medical Centre

Availability: Diabetic eye screening takes place on select days each month when required.

Accessibility: There is access via a drop curb into the surgery. It is also accessible to all pedestrians.

Parking:

- There is free parking onsite, however there are limited spaces. Nonetheless, there are residential roads nearby which you can park on, free of cost.
- There is disabled/blue badge parking.
- There are spaces for bikes to be stored.

Public Transport: The following bus routes are available, all stopping a couple minutes away from the venue:

- Route 404
- Route 406
- Route 7
- Route U9
